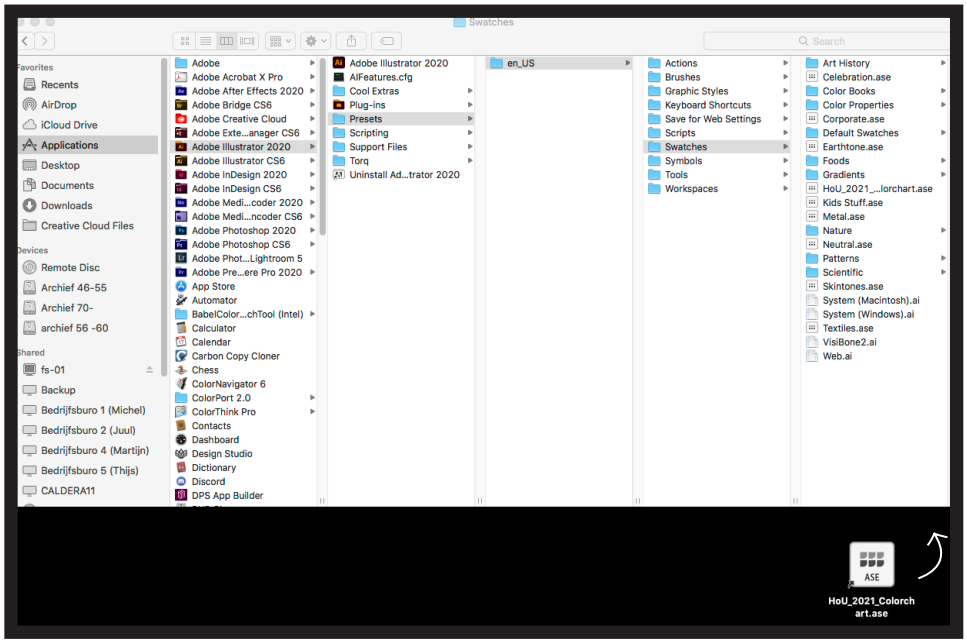
House of U Color Chart Swatches Illustrator

How to load the color chart swatches in Illustrator

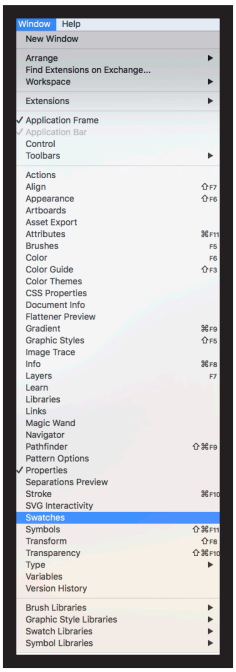
The swatches for the Colorchart HoU are stored in the file 'HoU_2021_Colorchart.ase'. These can be opened as a Swatches panel in Illustrator. This will ensure that the right color is used in your file.

OS-X (Mac)
Copy the swatches file (HoU_2021_Colorchart.ase) to the 'Color Swatches' folder in the 'Presets' folder in Illustrator, which is on the hard drive. The full path to this folder is:
Applications > Adobe Illustrator > Presets > en_US > Swatches

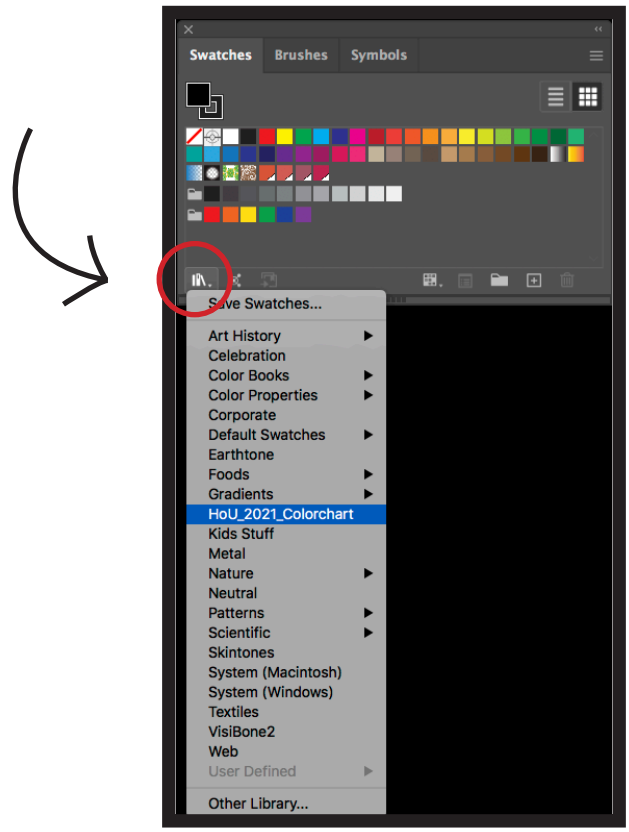


Windows (PC)
Copy the swatches file (HoU_2021_Colorchart.ase) to the 'Swatches' folder in the 'Presets' folder in Illustrator, which is on the hard drive. The full path to this folder is:
C:\ > Program Files > Adobe > Adobe Illustrator > Presets > en_US > Swatches

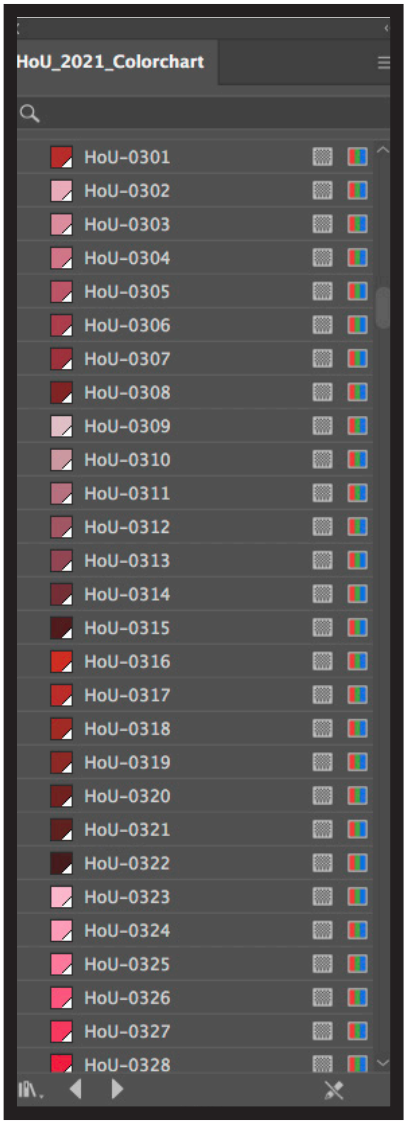
Next, open the ‘window’ drop-down menu (at the top of the screen) in Illustrator, selecting ‘Window > Swatches’.



In the window that now opens click on the icon for ‘Swatch Libraries’, at the bottom of the screen as seen below.
From the drop-down menu that now appears, select ‘HoU_2021_Colorchart’.



The swatches are now available in Illustrator.
Click on a swatch to use it as a fill or stroke color.



Extra: Create your document with Adobe RGB (1998) color profile for the best color results.
