

# MANUAL

## U-CIRCULAR VELVET PLAID

1

Download the workfile  
110 x 160 cm.  
This is incl. 7.5 cm bleed.

2

Open the file in Photoshop or  
Illustrator and use the design  
layer.

3

Place your design as how you  
want it to be printed on the  
plaid.

4

Save your design without seeing  
the outline of the plaid by  
unchecking the outline layer Size  
110 x 160 cm (incl. bleed).

5

Make sure that your  
design meets the following  
specifications: JPG, 180 DPI,  
RGB color and a maximum of  
150 MB.

6

You can upload your design in  
the webshop.
